

REACH, Règlement n° 1907/2006 concernant l'enregistrement, l'évaluation, l'autorisation et la restriction des substances chimiques.

REACH exige que des informations suffisantes sur les substances extrêmement préoccupantes (SVHC) contenues dans les articles à une concentration supérieure à 0,1 % en poids (P/P) soient communiquées afin de permettre une utilisation en toute sécurité du produit.

En recevant les informations de nos fournisseurs, nous couvrons 241 substances SVHC listées dans REACH, mises à jour par l'ECHA le 27 juin 2024 (<http://echa.europa.eu/candidate-list-table>).

Des informations détaillées sont disponibles sur notre site internet. ([REACH Statement | Brother Europe](#))

Les produits Brother listés dans le schéma accessible via le lien ci-dessus contiennent des substances SVHC dans des articles à des concentrations supérieures à 0,1 % en poids (P/P).

Si plusieurs produits sont affichés, veuillez sélectionner le modèle correspondant à la région dans laquelle vous avez acheté le produit
